On behalf of the Vermont Automobile Enthusiasts, welcome to the 54th Annual Antique and Classic Car Meet at Stowe. This is the highlight of the season for antique and classic car enthusiasts throughout New York, New England and eastern Canada. Set in picturesque Stowe Vermont, it is also one of the finest family entertainment and educational events of the year. With hundreds of cars on display, a vast flea market and car corral, there is ample enjoyment for all ages and tastes. A parade of show cars through the village and a downtown street dance make this a 3 day, town-wide celebration of the antique car hobby. New this year, we are adding "Vermont Crafters", designed with women in mind, which specializes in handmade Vermont crafts. Having just had two wonderfully successful years, we hope you will join us in making this another.

Best wishes, Wendell Noble, 2011 VAE President
